HOME TEAM LOST
TEN-INNING GAMEMillers Falls Takes Second
of Series by Score
of 2 to 1EFFECTIVE WORK
BY BOTH PITCHERSMuff by March Cost Winning Run—Big
Crowd Rooted Hard to Defeat ex-
Big Leaguer, "Dug" Smith—Riley
Makes Fine Catch.

Before a big crowd that rooted as if the world's series was at stake Millers Falls yesterday afternoon defeated Brattleboro in an exciting 10-inning game by a score of 2 to 1. This ties the games between the two, for last Sunday Brattleboro won the game by a 2 to 1 score.

"Dug" Smith twirled the game yesterday and he did no loafing at any time, as the record of 16 strikeouts and only five hits shows. Blake, while not having as many strikeouts, twirled equally effective ball and it was not his fault that either of the two runs by his opponents were scored.

The usually reliable Gray muffed up two chances in the second inning that put two men on instead of putting two out. In the last inning March muffed a throw from Guheen which would have been the second out. That cost the winning run.

But with all this against him Blake would have escaped with no worse than a tie game had it not been for some backlot base running that twice threw away chances to score.

The visiting team had quite a coterie of supporters with them and it has been years since a Brattleboro crowd did so much rooting for the home team as was done yesterday. It may have been that some of it was with the idea of keeping up circulation of blood, but it appeared to be mainly with the hope of defeating an ex-big leaguer, who was twirling mightily good ball.

In spite of the fact that Blake issued his only pass in the second inning to the first man on the base runners who

eventually scored, he twirled his best ball in that inning. Connors was passed. Teahan tapped to Angley, who snapped the ball to Gray at second and the reliable shortstop squarely muffed it. Instead of a double play two men were on bases and no one out. Davis laid down a perfect bunt along the third base line and the sacks were filled to their legal capacity. A. Smith slammed one at Gray which that young man let slip through him and Connors scored. Blake fanned Fitzgerald. Donahue tapped to Blake, who got Teahan at the plate. Robinson hit to Gray, who tossed to Guheen, forcing Donahue at second. The crowd stood up and cheered.

For Brattleboro Riley scratched his second single in the third inning, but there were two out at the time and Taylor was helpless before Smith. With two out in the fourth Thompson doubled to center, but Angley fanned. Again with two out in the sixth, after Guheen was given a life when Teahan dropped his foul fly, he doubled to right. Teahan Connors and Davis watched the ball drop between them, but March could not get the ball out of the infield.

From the third to the eighth inning Blake retired the visitors in order. In the third Blake pitched only seven balls and in the eighth he retired the side on four pitched balls. Although "Dug" Smith opened the ninth with a clean single to right, the first real hit off Blake, and Guheen muffed up P. Smith's grounder, Blake got out of the hole. Connors died to Thompson in short right. Teahan forced P. Smith at second and Davis grounded out, Gray to March.

Then Brattleboro tied the score and missed an easy chance to win. Teahan dropped another long foul off Guheen's bat and the veteran was finally passed. March tried to bunt and then hit sharply down the third base line. P. Smith was coming in fast, expecting a bunt, and the harder rap was too much for him, both men being safe. A passed ball put the men on second and third with no one out. Thompson sent a slow grounder to Connors and Guheen scored while Connors was throwing out Thompson at first. March tried to score on the play and Davis and A. Smith had him headed off by 10 feet. Angley grounded out to Davis.

After A. Smith had fanned to open the 10th, Fitzgerald was safe when March lost Guheen's toss of the grounder. Donahue singled to left and Robinson to right, Fitzgerald scoring. D. Smith lifted a short fly to center. Riley came in like a racehorse, picked the ball off his shoe tops and while on the run slammed it to Clune, who caught Donahue trying to score after the catch.

Brattleboro lost a chance to tie in the last half. After Blake had died to Connors Clune made second when Connors first juggled his grounder and then threw wild to first. Gray singled to short center and for some reason Clune, who is not a fast runner, to put it mildly, tried to score from second. A. Smith almost got tired of waiting for him to arrive but had the patience to wait and tag him. Riley wound up the game by giving "Dug" Smith his only assist of the game. The score:

Notes of the Game.

Blake allowed one bunt and one clean single in the first nine innings.

Sixteen strikeouts illustrated how earnestly "Dug" was pitching.

The high wind bothered Teahan, but Thompson would not be fooled by it.

Losing a game by poor headwork on the bases was well illustrated Sunday at Island Park.

The second basemen were the only players favored with passes to first. Guheen worked a pass twice and Connors was favored once.

It looked from the stand as if Ferriter was widely off on a few balls and strikes and twice on balls hit along the baselines, both of which he called fouts.

Gray's two errors in the second inning were responsible for the first run and March's error in the 10th put the runner on first who eventually scored. Errors by Teahan and P. Smith helped along Brattleboro's run.

Sporting Notes.

Moran had the wrong dope when he sent Alexander back after another victory over Brooklyn.

McCarthy, former Brooklyn and present Giant catcher, is pressing Chase for premier batting honors in the National League. Chase has a percentage of .334 while McCarthy has a total of .230. Chase has played three times as many games as the clever young catcher.

The Red Sox were forced to go 10 innings in three of the four games with Donovan's tribe. The season's result of that series is that the Yankees, crippled through a large part of the season, won 11 games from the champions and lost an equal number. No other club in the league was able to do so well against the Red Sox. Which brings to mind the question of whether the Red Sox would have been champions had the Yankees not been badly crippled.

JACOB ESTEY WON

G. L. DUNHAM CUP

Championship of Country Club Lies Between L. L. Dunham and Thomas T. Brittan.

Jacob Estey on Saturday won the George L. Dunham cup offered for the best net score made by any golfer of the Brattleboro Country club between July 1 and October 1. Playing from a handicap of 29 he made the 18 holes in 90, giving him a net of 70. Dennison Cowles, sr., who won the Labor day cup offered by L. L. Dunham and The Reformer cup, tied with Estey. Cowles was playing with a handicap of 30, but after he won the Labor day cup his mark was changed to 25. He played the full round Friday in 95. Previous to Labor day Cowles had never turned in a card below 115. In the last few weeks he has shown wonderful improvement, and after lifting two fine trophies he had a chance for a third, but in playing off the tie with Estey the latter won by six strokes.

The championship of the club for 1916 lies between L. L. Dunham and T. T. Brittan, and the winner will not only get the title but the handsome president's cup given by Col. J. G. Estey. In the semi-final round Brittan defeated Onslow Thompson 2 and 1. Thompson had previously beaten Jacob Estey 3 and 3. To get into the last round Dunham beat Dennison Cowles, jr., 1 up, 19 holes, in the hardest kind of a match. Cowles looked to be a sure winner, when he was 2 up, and he held a position of advantage over Dunham on the 17th hole, but the latter pulled off one of his famous long putts for over 30 feet and won that hole and the next. On the 19th hole another tie seemed probable, but Cowles missed a putt of less than 18 inches.

The course is in finer playing condition than ever before. It is probable that one more large cup will be offered for competition in the next few days, and arrangements are expected to be made for a team match, the players to be chosen by L. L. Dunham and T. T. Brittan as captains.

RED SOX TEAM IS

PENNANT WINNER

Defeat of Chicago by Cleveland Gives
Championship to Boston—National
Race Still Uncertain.

Boston, winner of the world's championship of 1915, is again this season the pennant winner in the American league. Although Chicago's defeat in their first game yesterday brought a decision in the American league, the pennant in the National league is not yet clinched and it will take the concluding games of the season to decide the winner. Brooklyn, in first place, and Philadelphia in second, appear to have the best mathematical chances of opposing Boston in the interleague championship series. The latter team can lose all its remaining games without a chance of Chicago catching up.

Whether Brooklyn, Philadelphia or Boston wins in the National, the classic of baseball will be played in the East as it was last year, with Boston as in the preceding two years having one of the competing teams. Not since 1910, when Chicago won first place in the National league, has the latter had a contender in the championship series.

Glenwood

"It certainly does
make cooking easy"

Complete
Gas Range

Coal Range.

Glenwoods are Brim Full of Good Things

The Glenwood Balanced Baking Damper is far ahead of any other—it is as positive as the turning of a railroad switch—open to start the fire, closed to bake—just this one damper for kindling or baking and best of all, it can't warp or stick.

The Glenwood Revolving Coal Grate is easy to shake at all times, and simply fine for removing clinkers. It is triangular in shape, with three different sides for wear.

The Ash Pan rests on a roller bearing frame—just open door and it rolls out at the slightest touch, neat and clean.

The Glenwood Shelf Under Oven Door is stationary—it automatically raises and lowers oven door is opened or closed. It is always level and oven bottom—a great convenience when basting or removing food.

The Glenwood Sectional Top is interchangeable—cross pieces can not warp—a wash boiler can be placed at the back as well as in front for quick firing, leaving the front holes free for cooking.

Glenwood Iron is smooth and perfect—easiest of all to clean—a real delight to the exacting housekeeper. Get one and you'll be gladder after.
